WHEREAS, the *Prevailing Wage Act* requires that School District 155 of McHenry and Lake Counties, Illinois ("Board") investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said school district employed in performing construction of public works; and

WHEREAS, the *Prevailing Wage Act* requires the Board to specify in its call for bids and project specifications in any public works construction or demolition contract the prevailing rate of wages for each type of laborer, worker or mechanic necessary and to include a stipulation that the prevailing rate of wages as ascertained by the Board will be paid in any contracts issued for such construction or demolition work, as guaranteed in all contractor's bonds.

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Community High School District 155, McHenry County, Illinois, as follows:

Section 1: To the extent and as required by the *Prevailing Wage Act*, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in the construction of public works in McHenry County coming under the jurisdiction of the Board is hereby ascertained to be the same as the prevailing rate of wages in McHenry County, Illinois as determined by the Department of Labor of the State of Illinois as of September 1, 2017 (as most recently updated and posted on the Department of Labor's website), which is posted online and updated from time to time and is currently located at <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/2017-Rates.aspx>, and is incorporated herein by reference. The definition of any terms appearing in this Resolution which are also used in aforesaid Act shall be the same as in said Act.

Section 2: Nothing contained herein shall be construed to apply said general prevailing rate of wages, as herein ascertained, to any work or employment of the Board, except public works construction to the extent required by law.

Section 3: The Secretary of the Board shall publicly post or keep available for inspection by any interested party in the main office of this School District and on its website this determination or any revisions of such prevailing rate of wage, together with hyperlinks to the prevailing wage schedules for Lake and McHenry Counties that are published on the official website of the Department of Labor. The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Legend

M-F OT Unless otherwise noted, OT pay is required for any hour greater than 8 worked each day, Mon through Fri. The number listed is the multiple of the base wage.

OSA Overtime pay required for every hour worked on Saturdays

OSH Overtime pay required for every hour worked on Sundays and Holidays

H/W Health/Welfare benefit

Explanations LAKE COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.
